EXTRA

# DEAR MEMBER

Welcome to the new EIS Extra membership discount scheme.

The Institute has been working hard to find a new company to provide a benefits scheme and chose Parliament Hill for its demonstrable experience and expertise in delivering member benefits. The range of products and services available should be useful across a wide range of activities: your weekly shop, booking a holiday, going to the gym, cinema tickets and many more.

With the new Parliament Hill online platform, you can access your EIS Extra benefits via your mobile, tablet, laptop or desktop where the website will host a range of offers, including time-limited special offers; for local deals and discounts, you will be able to use your new EIS Membership Card which is enclosed with this brochure.

Around 20% of members were registered under the old scheme and collective savings topped over £6 million whilst the scheme ran. We aim to improve on that with this new project.

I hope that you find EIS Extra useful, and that you make the most of the discounts and savings available.

Best wishes

Larry Flanagan, General Secretary

The logo for EIS Extra features the letters 'eis' in a lowercase, rounded, purple font. A white diagonal line cuts through the 'i' and 's'. Below this, the word 'EXTRA' is written in a bold, uppercase, purple font with a slightly distressed or blocky appearance.

# THIS GUIDE SHOWS YOU THE BEST OF EIS EXTRA, THE NEW REWARDS SCHEME FOR EIS MEMBERS.

EIS Extra features a range of benefits and discounts to save you time and money. From motoring to travel, lifestyle and shopping, the comprehensive range of benefits will help you not only in your professional life but in your personal life too.

Some of our benefits come with a formal National Price Promise or Provider Price Promise stamp, so you know you're getting the best deal around.

The National Price Promise stamp means you should be getting the best possible deal in the UK for a product or service.

The Provider Price Promise stamp means you should be getting the best possible deal from a company.

So whether you're doing your weekly grocery shop, enjoying a day out with friends and family, or searching for your next getaway, EIS Extra has an offer to help you.

## HOW DO I START SAVING?

To make use of all the benefits, visit [www.eis-extra.org.uk](http://www.eis-extra.org.uk) and log in to your account. If this is your first time accessing the account then you will need to register with your EIS membership number. EIS Extra is accessible from mobile, tablet, MAC or PC.

## HOW MUCH COULD I SAVE?

You can make savings on all of life's essentials through EIS Extra, perhaps enough to cover the cost of your annual EIS membership. To see your customised savings potential, head over to [www.eis-extra.org.uk](http://www.eis-extra.org.uk), log in and use the handy savings calculator. Simply enter your normal spending on areas such as grocery shopping and travel to discover how much EIS Extra could help you save each year.

# LIFESTYLE AND SHOPPING

Save on everyday essentials or treat yourself for less. Whether you're hitting the high street, after a special day out or looking to make some new home purchases, EIS Extra has an offer for you.

## RELOADABLE CARDS

Reloadable cards are available for a range of retailers and work similarly to gift cards. You order and load your cards through the EIS Extra website, you can load the money using either a debit or credit card (or by setting up a monthly direct debit) and activate them once you receive them in the post. Each time you load money on a card, you will receive your cashback into your online account. The amount of cashback depends on the cashback percentage set for each retailer. You can load your cards again and again and watch your cashback grow.

You can then withdraw your cashback any time you like so long as you have at least £5 in your account.
